

# COVER-TO-COVER CORBEN!

The hottest, most sought-after talent in comics today, illustrates nine of the most breathtakingly beautiful tales ever to be presented in comic form.

Richard Corben, whose underground roots brought him to the attention of mainstream publishers more than a decade ago, returns to the mire from whence he sprang . . . in nine

uncensored classics published on high-quality paper and packaged in one exquisite volume.

Thirty-five pages of comics as only Richard Corben can render them in vivid black and white!

Thirty-nine pages of gloriously brilliant Corben color! Plus an introduction and appreciation by the Grand Master of the graphic story, Will Eisner! Eighty pages in all of pure orgasmic delight, sure to plunge even the hardest Corben enthusiast into throes of wanton ecstasy!

This beautiful, soft-cover collector's package is made available for the first time, exclusively from Warren Publishing. This book will not be sold at newsstands or book counters. And supply is limited. So order yours today!

Due to the explicit sexual nature of some stories in this volume, you must be eighteen to order!
